ARRL FIELD DAY 27 JUN 2015

WB6UHQ DENNIS

KC6KWP BUD

Only two F.A.R.C.E. operators for the 2015 ARRL Field Day this year
but they did a marvelous job and made many contacts
partially using our 'old & somewhat tired' ECC equipment
plus some supplemental personal HR equipment

06/27/2015 03:47 PM

A photograph of two men in an emergency communication center. The man on the left is sitting on a wooden bench, wearing a white t-shirt with a radio-related graphic and blue jeans. The man on the right is standing, wearing a white t-shirt with the word 'RADIO' in red and blue jeans. Behind them is a whiteboard with a red sign that reads 'ARRL FIELD DAY' and a clock on the wall. The room contains various pieces of equipment, including a desk with a microphone and a blue bag on a table.
